

OAKVILLE POWER & SAIL SQUADRON
Canadian Power & Sail Squadrons

COMMANDER'S REPORT

DATE: May 13, 2008

OFFICER'S REMARKS:

I would like to welcome everyone to the new 2008-2009 Bridge of the Oakville Power & Sail Squadron.

Congratulations to Training for winning the W.A. Ripley Memorial Trophy for the third consecutive year. This reaffirms our dedication to teaching "safe boating".

Special thanks to Beryl Durrant for her superb job in organizing the AGM single-handed, and to Nelle Gaweda for looking after the food and libation.

Picked up the Arthur C. Bridge Award. To be given to Don Singular for safe keeping.

Attended the National Training Conference

Attended the District Training meeting (concern over the low interest in elective courses).

Attended the District AGM (concern over low membership renewals).

Helped out Training--picked up course material and delivered exam results; helped with registration and administration of exams, etc.

Respectfully submitted,

Ziggy Gaweda, AP
Commander
