Officer Reporting: Environment/Marep

<p>Monthly Report / Activities / Officer's Remarks</p>	<p><u>Graduation</u></p> <p>I attended the Student Graduation on Friday 30th May and talked to several of the students.</p> <p>They were all very complimentary regarding the teaching standards. They were full of praise for the two Boating Instructors.</p> <p>It was a very good evening!</p> <p><u>Environment</u></p> <p>The Clean Marine programme is continuing in both harbours with upgrades to the facilities.</p> <p>A new audit will be conducted in July or August when the Harbour Master hopes to get an upgrade to 3 anchors.</p> <p><u>Marep</u></p> <p>I have copies of the Marep report available for all the Bridge members who are boaters.</p> <p>I shall be asking Fraser if he can put a blurb on our web page along with a downloadable copy of the report.</p> <p>It would be helpful if the Bridge decides to have an "On Water" event this year as this would be an opportunity to get some information for Mareps.</p> <p>Respectfully submitted,</p> <p>Matt Kennedy</p>
