Date: August 5, 2007

Officer Reporting: Membership

<p>Monthly Report / Activities / Officer's Remarks</p>	<p>Membership total: 210 per National database (may not include life members). See associated reports.</p> <p>The new Membership Administration facility on the National web site is still only partially operational. The 'download in Excel' function is working but only works with a valid copy of Excel on a PC. Alain Briere advises that they are working on a 'csv' export that will solve this. When it becomes operational I will update our local Squadron database.</p> <p>The Squadron web site was updated with revised Boating Course pricing information.</p> <p>Fraser Farmer Membership Officer</p>
